Signature of Head of Section

INSTRUCTIONS

- Candidates will not be permitted to enter the examination hall without a valid hall ticket.
- Candidates must arrive at the examination center at least 30 minutes before the examination begins. Upon entering the examination center, every candidate must deposit all books, personal belongings, etc., at the designated counter.
- Candidates are allowed to enter the examination hall with only their hall ticket. No printed or written materials of any kind are permitted.
- Every candidate must cooperate when their pockets are checked or when they are frisked.
- a. Candidates will not be allowed to enter the examination hall 15 minutes after the exam begins.
b. Candidates may not leave the examination hall within the first hour. After one hour, if a candidate needs to leave for any reason, they must submit their answer script and question paper to the invigilator.
- Candidates must read and follow all instructions on the answer booklet or OMR sheet before beginning to answer.
- Candidates must not write anything in the answer booklet that could identify them or their institution, as this will be considered malpractice. Candidates must use only blue or black pens unless otherwise specified (e.g., for diagrams).
- Candidates must bring their own scientific calculators, pens, pencils, and required drawing instruments.
- Cell phones, pagers, organizers, PDAs, or other electronic devices are strictly prohibited. If found with such devices, candidates will face malpractice charges, and the device will not be returned.
- Every student must adhere to the examination regulations. Non-compliance will result in malpractice charges.

11. Candidates are advised to check all pages of the 32-page answer booklet provided. All answers must be written within the provided booklet only. No additional sheets will be provided under any circumstances.
